Do not buy, it's a cheat.. DO NOT PURCHASE. Currently bugged and doesn't actually work with the game. I paid for it, and it never showed up.. This does NOT add a new upgrade to the game. It only unlocks an existing upgrade early. Do not buy.. this is a great ability :D i really enjoy it. This does NOT add a new upgrade to the game. It only unlocks an existing upgrade early. Do not buy.. Nothing new content. Do not buy, it's a cheat.. bought for \$0.64NZD having a silencer is pretty nice. if you have the spare change i would suggest getting this.
